INSTRUCTIONS

Purse Flap (Crisp Cantaloupe Cardstock, 3 $\frac{3}{4}$ " x 10", scored at 5 $\frac{1}{4}$ " and 6"):

1. Using the second largest scalloped circle die from the Scalloped Blooms Dies, create a scalloped edge for the flap. The first and third sections created by the score lines are not quite the same size; cut the scallop edge on the shorter section. Feed the cardstock through the die and run through your Stampin' Cut & Emboss Machine far enough to cut the edge of the flap.

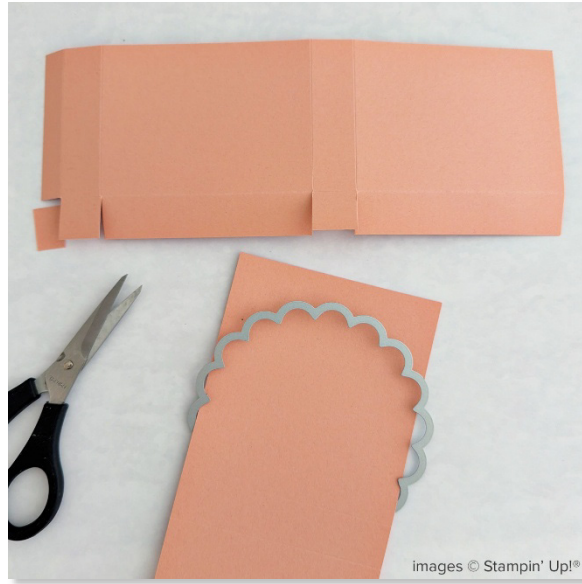

Purse Pocket (Crisp Cantaloupe Cardstock, 3 $\frac{1}{2}$ " x 9 $\frac{1}{2}$ ")

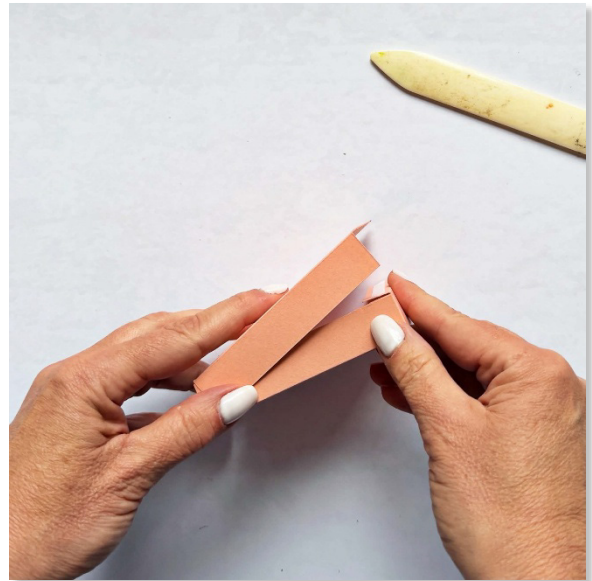

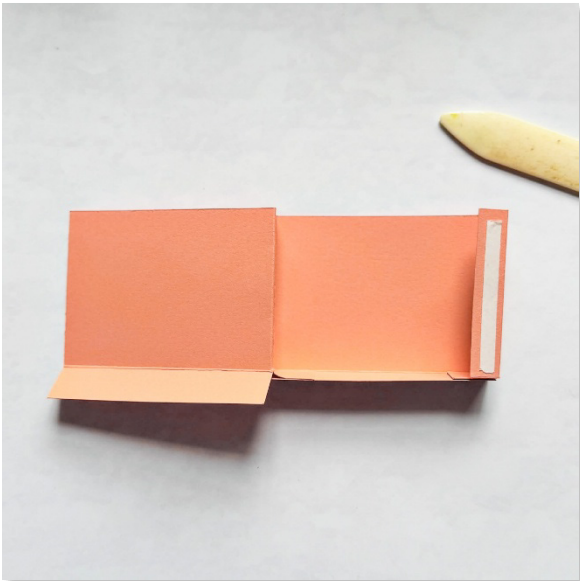

2. Score and then snip to create tabs as shown below:

BLOOM BOUTIQUE CLASS

3. Add Multipurpose Liquid Glue or Tear & Tape to the tabs and fold up to create the purse pocket.

4. Adhere the pocket to the flap at the opposite end to the scalloped edge with glue.

5. Adhere the Designer Series Paper pieces to the front of the purse pocket, the back of the purse, and the thin section that forms the top of the purse.
6. To add the handle, add glue to the thin section on the inside of the flap that forms the top of the purse. Adhere the tabs created by the score lines at each end of the DSP strip for the handle.

7. Adhere the DSP for the purse flap front to the 2 1/2" x 3 3/4" Crisp Cantaloupe piece. Take a 3 3/4" length of Golden Glow 3/8" (1 cm) Bordered Ribbon and adhere to the back of the longer edge of the Crisp Cantaloupe Cardstock. Adhere to the front flap of the purse using Dimensionals to finish the scalloped edge neatly.

BLOOM BOUTIQUE CLASS

Decorate the purse

8. Make a faux button using the double circle die from the Scalloped Blooms Dies, cutting one button from DSP and one from coordinating cardstock. Adhere the DSP circle on top of the cardstock circle.
9. Use the Take Your Pick tool to make two holes and then thread the 2" Very Vanilla Baker's Twine through. Tie a knot at the back of the button. Snip off the extra thread.

BLOOM BOUTIQUE CLASS

10. Add the faux button to the purse flap with a Stampin' Dimensional.
11. Using the die from the Scalloped Blooms Dies, die cut tags from Crisp Cantaloupe Cardstock, Basic White Cardstock, and DSP.
12. Using a Blending Brush, add soft color to a small section of Basic White Cardstock using Barely Blush Classic Stampin' Ink. Cut a flower using the smaller scallop flower die from the Scalloped Blooms Dies and adhere to the Basic White Cardstock tag using a Dimensional.
13. Repeat the same blending technique with Old Olive Ink. Cut a foliage sprig using the die with the three smooth leaves from the Boutique Blossoms Dies. Adhere to the tag, tucked under the flower. Finish with a Golden Glow Butterfly from the 2026-2028 In Color Butterflies.
14. Thread a 6" length of Very Vanilla Baker's Twine through the three tags and attach to the purse handle with a bow.
15. Using the third smallest scallop circle die from the Scalloped Blooms Dies, cut multiple pieces from white wrapping/tissue paper. Gently crumple them up before flattening again. Keep one circle flat to act as the base and add glue to the middle. Fold the rest of the circles into quarters and stick them all to the base to create a full rosette. Allow to dry and then add to the purse front.

Decorate your envelopes:

BLOOM BOUTIQUE CLASS

16. Add Multipurpose Liquid Glue to the flap of the envelopes. Adhere the DSP to the flap and trim the excess. Repeat for the other 4 envelopes.
17. Tie a 20" length of Golden Glow $\frac{3}{8}$ " (1 cm) Bordered Ribbon around the stack of envelopes.
18. Cut a scallop flower shape from Basic White Cardstock using the larger of the flower dies from the Scalloped Blooms Dies. Use the $\frac{1}{8}$ " hole punch from the Hole Punch Assortment to punch a hole.
19. Take a 6" length of Very Vanilla Baker's Twine and thread through the tag. Attach to the Golden Glow ribbon with a bow.
20. Stamp the 'thank you' sentiment on Basic White Cardstock using Golden Glow Ink and carefully cut out with scissors. Add to the flower tag using Stampin' Dimensionals.
21. Finish the tag by adding a Crisp Cantaloupe Butterfly from the 2026-2028 In Color Butterflies.
